PROFILE

A dynamic and forward-thinking Product Designer with a passion for crafting intuitive, user-centered experiences that blend aesthetics with functionality.
I thrive at the intersection of design and technology, leveraging deep insights into user behavior, emerging trends, and cutting-edge tools to build product that resonate.

PROFESSIONAL EXPERIENCE

Dec. 2024 - Present

Lagos, **Nigeria**

Product Designer — Zette Technologies (Remote)

Frameworks: Figma and Figjam, WhatsApp, Google meet.

- **Leading ui/ux designs** on company's Project (Web & mobile app)
- Designed and delivered user-centered digital solutions for clients across diverse niches including agriculture, energy, consulting firm, banking & Finance, ensuring a seamless blend of functionality and aesthetics.
- Developed **interactive prototypes** and **wireframes** for both **mobile and web** applications, enabling stakeholders to visualize product workflows before development.
- Collaborated closely with developers and cross-functional teams, ensuring precise design implementation, seamless functionality, and high-quality user experiences.

Aug. 2022 - Feb. 2023

Lagos, **Nigeria**

Product Designer — Fabeny Consulting (Intern)

Frameworks: Figma and Figjam. WhatsApp, Google Meet, Slack

- Collaborated with the **UI/UX design team**, to develop intuitive, user-friendly interfaces for Olùkọ́wé digital products, enhancing user experience and accessibility.
- Conducted competitor analysis and usability testing, gathering valuable insights that helped refine design decisions and improve product-market fit.
- Created wireframes and interactive prototypes using tools like Figma and Adobe XD, enabling clear visualization of user flows and product interactions.

PROJECTS

2025

ALFCOM ENERGY

Figma Prototype Link

Alfcom Energy is a leading provider of oil & gas support, power solutions, engineering automation, and energy innovations that drive efficiency and sustainability, wiith a strong focus on cutting-edge technology and precision engineering to meet the evolving demands of the industry.

2025

RAMA CONSULT

Figma Prototype Link

The Rama Consult is a premier consulting firm based in Kigali, Rwanda. I was tasked with designing a professional digital platform that balances high-level firm expertise with a seamless user experience. The goal was to transform their traditional service model into a conversion-driven digital journey.

2024

FARM WHIZ (MVP)

Figma Prototype Link

Farm Whiz aims to simplify farm operations by providing a digital platform for managing livestock, tracking activities, and fostering collaboration among farm workers and other stakeholders.
