PROFILE

A dynamic and forward-thinking Product Designer with a passion for crafting intuitive, user-centered experiences that blend aesthetics with functionality.
I thrive at the intersection of design and technology, leveraging deep insights into user behavior, emerging trends, and cutting-edge tools to build product that resonate.

PROFESSIONAL EXPERIENCE

Dec. 2024 - Present
Lagos, **Nigeria**

Product Designer — Freelancing (Remote)

Frameworks: Figma and Figjam

- Designed and delivered user-centered **digital solutions** for clients across diverse industries, including agriculture, **oil & gas, energy, and automation**, ensuring a seamless blend of functionality and aesthetics.
- Designed an **MVP** for **FarmWhiz App**, a platform tailored to livestock farmers, optimizing farm operations, and improving user engagement.
- Designed digital interfaces for **Alfcom Energy**, a company specializing in oil & gas support, power, and engineering automation, ensuring industry-specific usability and efficiency.
- Conducted **user research** and **usability testing,** refining design decisions and increasing user satisfaction by 20% through data-driven enhancements.
- Developed **interactive prototypes** and **wireframes** for both **mobile and web** applications, enabling stakeholders to visualize product workflows before development.
- Collaborated closely with developers and cross-functional teams, ensuring precise design implementation, seamless functionality, and high-quality user experiences.

Aug. 2022 - Feb. 2023
Lagos, **Nigeria**

Intern — Olùkọ́wé (Remote)

Frameworks: Figma and Figjam

- Collaborated with the **UI/UX design team**, to develop intuitive, user-friendly interfaces for Olùkọ́wé, enhancing user experience and accessibility.
- Conducted competitor analysis and usability testing, gathering valuable insights that helped refine design decisions and improve product-market fit.
- Created wireframes and interactive prototypes using tools like Figma enabling clear visualization of user flows and product interactions.
